

Special Guided Program 2021

2-hour Farm Experience for Adults (18+) with ASD

PLANET Boston will offer individuals with Autism Spectrum Difference (ASD) opportunities to participate in farming activities and to engage with our community. The program will be gently guided by an experienced Autism support instructor. Depending on the participant's needs, we highly encourage guardians, caregivers, or parents to be on site.

Dates & Times

Every other Saturday 3-5pm, from July to October:
7/24, 8/7, 8/21, 9/4, 9/18, 10/2, 10/16, 10/30
Please register for each session. Participants are free to join as many sessions as they would like.

Cost

This program is free. Donations are greatly appreciated.

Location

101 North Road (left), Sudbury MA

Farming Activities

Activities may vary depending on the season and weather. Some of the activities may include: seeding, planting, weeding, watering, or harvesting.
